The image displays a series of 10 rows of pixel art characters in a VGA 8x8 font. Each row contains a sequence of characters that become increasingly pixelated and blurry as the sample size decreases. The characters shown are 'I', 'i', 'k', 'o', 'O', and '÷'. The first row shows the characters at their full resolution, while the subsequent rows show them at progressively lower resolutions, with the final row showing only the most basic, low-resolution versions of the characters.
